

Left: Clean lines and reflective surfaces will help spread natural light to create a bright and inviting space. This kitchen is the Häcker Systemat Art Handleless Collection in matt Standard White and Cashmere gloss lacquer on the island, topped with brushed stainless steel. Kitchens from Laurence Pidgeon start at £20,000.

Below: Shortlisted for New London Architecture's Don't Move, Improve! awards 2016, this kitchen extension by Neil Dusheiko Architects provides an improved link with the courtyard garden and includes glass flooring to give a view and provide light to a newly extended basement level.
